The Johnson County, KS CERT folks have offered up CERT training to CAP 29-30 May and 5-6 Jun. There are 25 slots available to both seniors and cadets. Here is the schedule:

May 29th: 6-10 p.m. - Units 1, 6 & 7

May 30th: 8-12 - Units 2 & FD unit/ Lunch/ 1-5 p.m. - Units 3 & 4

June 5th: 6-10 p.m. - Units 5 & 8

June 6th: 9 a.m. - test review and Scenario

I would like to offer 25 slots to each side of the state line so we can fill up a class with 50, both seniors and cadets. There will hopefully be more opportunities for training in the future and the CERT folks were agreeable to provide a Fri-Sat-Sun training so folks wouldn't have to travel 2 weekends. The dates that they offered though didn't fit with your schedule for May or June so I went with the dates listed above. Therefore, the units that are closer to KC would probably work best for this first opportunity and I will continue to coordinate future dates if we can get full participation. If you can coordinate with your members and let me know if indeed the dates will work and that we can get 25 from both states, I would greatly appreciate it. Please have your POC email me the list of names of the individuals that will commit to attending the training so we can make sure to have a full class and a good showing for CAP. Thanks.
